# On-Track Tutoring comes to the East Valley!

**We can help your child catch up, stay on-track, or get ahead.** To celebrate On-Track's expansion into the East Valley, we are offering a special introductory rate of only \$50 per hour. That's **\$8 off** our regular hourly **at-home tutoring** rate! Over the course of the '09-'10 school year, that could **SAVE** your family between \$300-\$600 (at an average of 1-2 sessions per week).

On-Track Tutoring is **unlike any other service available**. Other learning centers & tutoring services typically have a set curriculum, several students at different levels with each tutor, or even different tutors at each session. **On-Track offers an entirely different approach**. Our students receive the **highest quality, personalized, one-on-one instruction** paired with the convenience & security of being in their **own home**. Our **expert tutors** are qualified professionals whose skills & teaching abilities make them outstanding instructors. On-Track requires **NO** registration fees, **NO** payments in advance, **NO** minimum number of sessions per month, & **NO** long-term contracts. It's easy to get started, & tutoring can begin at any time!

**Academic Tutoring** One-on-one, in-home tutoring in all subjects, K-12. Give your child the opportunity to gain confidence & skill as he or she prepares for the upcoming school year!

**Foundations™ Study Skills & Organization** Our exclusive program teaches students to **learn how** to learn. Students identify their own learning styles, recognize their strengths & meet new challenges. Lay the foundation for success in all academic areas!

**Reading Readiness** Using proven multisensory approaches, your child will develop the reading readiness skills needed to begin a life-long journey of successful learning!

**One-On-One SAT/ACT Exam Preparation** Our enthusiastic, experienced instructors & individualized lessons help students reach their exam goals. Sign up today!

**Call today & watch your child's confidence soar! (480) 563-5588**

**On-Track Tutoring**  
 & Family Support Services™

Discovering Strengths, Achieving Results™
